SANCTUARY SHARKS SWIM TEAM 2021

The purpose of creating this team is to serve the needs of developing swimmers in the subdivision who are ready to learn competitive swimming strokes and improve their overall skills. Swim team is the best way to improve swimming skills after a child has advanced beyond swimming lessons.

Qualifications

This is a developmental program ideal for entry level swimmers and is designed to introduce swimmers into the competitive scene. We focus on stroke technique, endurance and positive self image through a non-stress, supportive team environment. Our summer program is designed for diverse ability and motivational levels to give each individual a unique swimming experience. This program offers superior stroke instruction, with a focus on improvement and having fun. Our qualifications for our -7-, -8-, and 9 year old age group as well as our 10 and over age group is that the swimmers must be proficient in swimming the length of the pool safely. Our qualifications for our 6 and under age group are that they can swim at least a third of the pool without holding on to the side. Swimmers who are not able to safely swim 1/3 of the length of the pool efficiently can be placed in our swim lesson program.

Trophies and Awards

All swimmers will receive best time and good swim ribbons at each swim meet and a medal at the end of the season.

Volunteers are needed to help run the program. Please note these sign up sheets at registration and help us in those areas. We ask that you check your calendar and let the coaches know IN WRITING at least TWO WEEKS in advance of any meet conflict.
